

Intel End Use Statement (EUS) Form

Guidelines when filling the EUS

- This form must be completed by the end user, the partner that receives and ultimately uses Intel Products. Employees, Partners, or Resellers are prohibited from completing this form for the end user.
- Signing parties must have signatory authority for their company (preference being given to someone from Legal or Trade Compliance for that company).
- The submission of an End Use Certification Form though required, does not overcome license requirements for certain end users.
- Provide all information in English.
- Submissions containing abbreviations, acronyms or a P.O. Box number will be considered invalid.
- Incomplete or inaccurate completion may delay or cause cancellation of the transaction.
- Upon acceptance of the representation made herein, the End Use Statement Form is valid for the specific transaction referenced in this document only.

The following assurance applies to all Intel Business and Products including but not limited to, Intel Corporation, Altera, Wind River (hereinafter referred to as "Intel").

All mention of "Intel product" in this document include without limitation hardware, software, technical data, servicing, support and training.

I, the undersigned, as a duly authorized representative of the organization identified below, understand and agree to the conditions set forth below regarding the usage of Intel Product. I understand that failure to fully complete this form may result in a delay or cancellation of the order.
